

## MODE MACHINES CEREBEL USB

The CEREBEL USB of the german manufacturer MODE MACHINES is a USB MIDI Host that converts a signal to standard MIDI DIN. Ideal for any situation where a laptop or computer is not desired or available. Due to the small size and weight, the CEREBEL USB is easy to carry and also allows to supply other 5V USB devices with the HUB, such as smartphones, tablets, cameras, USB lights, etc.

### FEATURES

- Converts any USB MIDI Class compatible device to the standard MIDI Out DIN
- Ideal for situations where a laptop or computer is not desired or available
- Small and portable - perfect for the road
- Based on Arduino

### LIEFERUMFANG

- CEREBEL USB
- 5V power supply
